

ALBUMS

Albums are the perfect way to keep family portraits together in one place and to pass around amongst family & friends. They are a fantastic way to reconnect with family.

I offer two types of albums in which to present your images.

The basic album is a matted album that allows for 6 to 10 images. The photographs are printed on a premium lustre paper and placed into each mat and sealed. This album comes in 3 colours; light grey, dark grey & natural canvas.

The luxury album is a premium product. Photographs are presented on thick lay-flat, seamless pages printed on the highest quality lustre paper. This album is available in the top two digital collections and can feature between 15 & 20 photographs. With several finishes & coverings, there is an album to suit any style.

STORY BOARDS

Story board frames, canvas or boxed canvas are a great way to display images in one piece of wall art & tell a complete story..

The images are printed onto a single spread & with symmetrical borders. Story boards can be customised in several different ways and each story board can hold up to nine portraits. Story boards start at a minimum size of 20x20 inches.

Please note that torn edge prints & boxed canvases incur a 10% additional cost.

FINE ART COLLECTIONS

Wall collections are a great way to display multiple photographs in a statement piece. Fully customisable with different sizes & orientations, wall collections are an easy & personal addition to any home.

Wall collections can be made of canvas wrap prints, boxed canvas wrap prints or wood prints.

Some wall collections can be made of framed prints, as the frames bulk out the design.

I personally LOVE a collection of 3 framed prints (see Collection 4!)
